

Ambition 24Locums: New Locum GP & Hospital Job Opportunities

Qualified doctors can earn extra pay as a locum GP or hospital doctor with Ambition 24Locums – enjoying local work at great rates of pay for their specialisation and experience, says the locum agency - new jobs are posted daily. With Ambition 24Locums doctors can choose the hours to suit - whether it's morning or afternoon sessions, full days, weekend cover or just evening OOH work: 24-7 and 365 days a year.

Locum GPs registering with Ambition 24Locums can earn up to £120* for work at Walk-in Centres, Prisons, MOD and OOH - see the published [Locum Pay Rates](#). (*Public Holidays, subject to grade).

Doctors can register *just once* with the agency for *two work and pay options*. This is because the agency is part of the [award-winning A24 Group](#). Once doctors [register](#) they can choose either work with Ambition 24Locums who focus more on contracts with large organisations such as Prisons and MOD work and/ - or work with [Locum Services of the UK](#) who focus on OOH work. Doctors will then be able to select from a range of positions nationwide.

Ambition advises doctors to [register](#) their details, free of charge, and the agency will then contact them. If doctors are interested then Ambition will arrange an interview at a convenient local location close to each doctor's home or work place, at a time to suit.

New and experienced locums choose to work with the [Ambition 24Locums](#) for the friendly and helpful service, the agency says – also the advanced web technology that can make locum work easier and more convenient to organise. The advanced [A24 Connect](#) web portal offers doctors an on-line diary, so locums can plan and tell Ambition of their availability. Once doctors [register](#), there are automatic alerts regarding compliance, when renewals fall due, such as CRB.

Locum positions are available nationwide in the UK - including in Birmingham, Bradford, Bristol, Cardiff, Coventry, Edinburgh, Glasgow, Leeds, Leicester, Liverpool and London – as well as Manchester, Nottingham, Sheffield, Sunderland and Wakefield.
