

UK AHP & HSS Jobs at A24 AHP

[Ambition 24AHP](#) provides agency Allied Health Professionals (AHP) and Health Science Services (HSS) jobs throughout England, Scotland and Northern Ireland. It is a nationally contracted provider of AHP locums to the NHS, and PASA Approved. The AHP agency supplies medical staff to hospitals, PCTs, prisons and private organisations. A member of the [A24 Group](#) further information is at www.a24ahp.co.uk.

[Ambition 24AHP](#) has UK jobs immediately for the following specialisations:-

Cardiographers (Band 5/6); Counsellors; Dieticians; Occupational Therapists (Band 6/7) neurology, acute elderly, surgery, community rehab, medicine and stroke, paediatric; Pharmacy technicians, hospital, community; Pharmacists, hospital, community; Physiotherapists (Band 6/7) cardiothoracic, care of elderly, community, learning disabilities, mental health, muscular skeletal, neuro, paediatric, orthopaedic, surgery; Psychologists; Radiographers (Band 5/6/7) diagnostic, sonographers, therapeutic, ultrasound; and Speech and Language therapists (Band 6/7) tracheostomies, fluoroscopy, neuroscience, CCU and stroke.

The A24 Group was one of the first AHP and HSS agencies to provide a 24-7 service in the UK. It ensures amongst the highest rates of pay because of its capability to provide staff at short notice, the agency says - often when other staffing agencies are unable to do so. Ambition has built a reputation for a fast, high quality service to clients - busy healthcare providers for whom the agency provides staffing solutions every day, 365 days of the year.

Service features for AHP candidates include a range of on-line facilities, such as a personal diary that enables staff to notify the agency of availability for shifts. There are also automated alerts, so that temporary staff can be reminded when mandatory registrations fall due at any time.
