

Locum Doctors' Jobs for Anaesthetists with Ambition 24Locums

[Ambition 24Locums](#) is offering Anaesthetists jobs for locums nationwide. A range of locum doctor jobs are available in UK hospitals as well as GP primary care settings with Ambition – a member of the [A24 Group](#), doctors can contact www.ambition24hourslocum.co.uk

Ambition is one of the leading UK locum agencies, offering temporary doctors jobs and staff nationwide, 24-7, 365 days of the year. Ambition was one of the first agencies to provide a 24-7 service in the UK. It ensures amongst the highest pay rates because of its ability to provide staff at very short notice, often when other agencies are unable to supply, it says.

[Ambition 24Locums](#) is a nationally contracted provider to NHS Buying Solutions. In addition to supplying Anaesthetics jobs, the agency is a provider of staff to prisons, private health providers and PCTs (Primary Care Trusts) including GP surgeries.

Qualified doctors can earn extra pay as a locum GP or hospital doctor, with local work at high rates for their specialisation and experience. Staff have the freedom to choose the hours to suit, whether they want a full week, evenings or weekends, or flexi-time.

Anaesthetics doctors can register for free just once with A24 Connect and then have two work and pay options. They can choose from, firstly, NHS Buying Solutions work and pay conditions, or secondly private client work at higher rates of pay. Once they have registered, staff have the option to choose from a range of positions for their grade through the NHS national framework agreement, with NHS Trusts - or they can choose premium rates in private hospitals and clinics too.

Locum jobs available for key specialisations include: Anaesthetics, Acute Stroke, Anaesthetics, Cardiology, Dermatology, Endocrinology, ENT & Ophthalmology, Primary Care GP General Practice, Haematology – as well as ITU Intensive Treatment, Neurology, Obstetrics And Gynaecology, Oncology, Ophthalmology, Orthopaedics, Pathology, Paediatrics, Psychiatry, Radiology, Rheumatology, Surgical, Urology And Ultrasonography.

Now Anaesthetics positions are available nationwide in the UK - in Birmingham, Bradford, Bristol, Cardiff, Coventry, Edinburgh, Glasgow, Leeds, Leicester, Liverpool and London – as well as Manchester, Nottingham, Sheffield, Sunderland and Wakefield too.
