

## NS Health Staffing - Medical Jobs & Staff

NS Health Staffing has published on-line details of its locum and nursing agency jobs - Locum Services of the UK (LSUK) and Nursing Services of the UK (NSUK) - visit [www.locumservicesuk.co.uk](http://www.locumservicesuk.co.uk) and [www.nsofuk.com](http://www.nsofuk.com)

NS Health Staffing's service is 24-7, 365 days of the year, at competitive rates, throughout England, Scotland and Wales. Healthcare providers can contact a member of each agency's support team to identify and book temporary staff by grade/ specialisation, experience and location. Technology underpins the helpful and friendly human interface that the agency can offer through trained, experienced service staff, 24-7.

Service users benefit from the latest technology for the management, monitoring and verification of medical staff, using the agency's own bespoke system – 'Enterprise'. NS Health Staffing can instantly match each client's needs with the most suitable, qualified locum doctors, nurses and HCAs. It also enables candidates to better manage their work commitments through a host of on-line facilities at the on-line portal '[Connect](#)'.

The [Locum Services of the UK](#) (LSUK) can provide temporary hospital doctors and GPs for per-diem locum staffing and when longer periods of cover are required. LSUK provides qualified locums for GP surgeries, NHS Trusts, private hospitals and other healthcare providers.

Locums are available in a range of grades: Associate Specialists, Clinical Assistants, Consultants, FY1, FY2, Hospital Practitioners, PrHO, SHO, SpR, Staff Grade, ST1, ST2, ST3, ST4. Specialisations include: Accident & Emergency, Anaesthetics, Cardiology, Dental, Dermatology, Endocrinology, ENT, Ophthalmology, General Medicine, GP general practice, Haematology, Neurology, Obstetrics and Gynaecology, Orthopaedics, Pathology, Paediatrics, Psychiatry, Radiology, Rheumatology, Surgical, Ultrasonography.

[Nursing Services of the UK](#) (NSUK) provides HCAs and agency nurses of all grades and specialisations for temporary and longer term assignments with healthcare service providers nationwide. Approved for NHS Buying Solutions, the agency offers high standards of compliance, backed by advanced IT system resources. Services are designed for maximum efficiency and safety in meeting clients' needs for medical and care personnel, often at very short notice.

Nurses, Specialists and Team Leaders at NSUK are available for Accident & Emergency - Community - Home Care - Midwifery - Paediatrics - NICU - ITU - Theatre - ODP - Mental Health - GP Practice - Occupational Health - Learning & Disability
