

## **BNA Agency Nurses Jobs in the North West**

[British Nursing Association](#) is recruiting Health Care Assistants and Registered General Nurses in Liverpool, Manchester, Preston, St Helen's, Stockport and Warrington. The nursing agency requires nurses and HCAs for day shifts at NHS locations throughout North West of England.

Applicants for the latest nursing agency jobs in the North West should be NHS compliant and experienced in NHS/Acute hospital settings. Flexibility and reliability are paramount for these shifts, according to the nursing agency. Interested candidates can contact by email [bookings@bna.co.uk](mailto:bookings@bna.co.uk) or phone 0871 873 33 24.

Qualified nurses and HCAs can also register contact details on-line with the association in the first instance at [www.bna.co.uk](http://www.bna.co.uk) for agency jobs nationwide – also see [www.facebook.com/BritishNursingAssociation](https://www.facebook.com/BritishNursingAssociation)

British Nursing Association has helped healthcare staff in the North West to further their career goals since 1948. BNA is now the longest serving of all UK nursing agencies. The association today is a preferred supplier of agency nurses and HCA jobs and staff to NHS and private hospitals, GP Surgeries and other Primary Care service providers – and the domiciliary homecare sector too.

[BNA](#) offers vacancies for the following positions RN Registered Nurses; RGN Registered General; RMN Registered Mental; EN Enrolled and SEN State Enrolled – also ENG Enrolled General; ENM Enrolled Mental Health; RSCN Registered Sick Children's; RFN Registered Fever; RM Registered Midwives and RHV Registered Health Visitors, as well as HCA posts.

The association offers short and long term nurses jobs. Nurses jobs and staff are provided for the followings settings in the North West: all Primary Care GP surgeries; A&E Accident & Emergency departments; ITU Intensive Treatment Unit; ICU; Intensive Care Unit; HDU High Dependency Unit; CCU Cardiac Care Unit; SCBU Special Care Baby Unit; ENT Ear Nose & Throat; and Maternity, Defence Forces, Nursing Homes and also to patients requiring domiciliary or complex care in a home setting..
