

HIQ SIGNS FRAMEWORK AGREEMENT WITH SKANDIA

HiQ and the insurance company Skandia have been working together for ten years and now the companies have signed a framework agreement. The agreement runs for three years and can be extended.

"We are working every day to improve and simplify our customers' operations. We have provided consulting services to Skandia's business for over a decade and are very excited that this collaboration now continues through the newly signed framework agreement with Skandia, and are very pleased with the recently signed agreement with Skandia", says Bo Ringdahl, Managing Director of HiQ Stockholm.

"We have had a fruitful relationship with HiQ for the last ten years and with this framework agreement, we are looking forward to continued close collaboration," says Pierre Strandelin, CIO at Skandia.

Skandia is active in insurance and banking, and provides such services as unit-linked insurance, saving in the form of mutual funds, traditional life insurance, health and accident insurance, medical expenses insurance and banking services.

"We use our expertise in IT to simplify for Skandia. We have a strong position within banking and insurance and are proud of and excited about our partnership with Skandia," says Lars Stugemo, President and CEO of HiQ.

Skandia has a long tradition of pioneering spirit, product development and community involvement. Today Skandia is a leading supplier of solutions for financial security and long-term savings. Find out more at www.skandia.se.
